CIRCULAR

- The II, IV and VI Semester classes of all UG programs will commence from 2nd April 2024 for the academic year 2023-24.
- The students of I Semester are informed to improve their coding / domain and communication skills during holidays between I and II semesters through online platforms such as NPTEL, Coursera, etc. This would help for your placements and other opportunities.
- The students in I semester are informed to note that there shall not be supplementary semester after the II semester. Therefore, attend all classes and pass all courses in the first attempt itself. However, there is a supplementary semester after IV and VIII semesters.
- The students admitted during the Academic Year 2021-22 and are now in V semester are informed to note that there SHOULD NOT be any backlog courses in I and II semesters to move to VII semester B.E./B.Arch as per VTU regulations. Therefore, students having I year backlog courses are informed to register along with VI semester courses and clear backlog courses (subject to registration rules).
